\* **A note on tax deductions:** Current IRS regulations allow volunteer monitors to deduct a maximum rate of \$0.14/mile when donating mileage to a qualified non-profit such as the Minnesota Land Trust. It is possible to receive a higher deduction if you submit your reimbursement request to us and – once we send you a reimbursement check – sign the reimbursement check back to the Minnesota Land Trust as a donation. When doing so, please designate the donation as for the Stewardship Program.
